This meeting was called to discuss the direction the Township Board wants to take in relation to the zoning ordinance that is currently being worked on by the Planning Commission. There is a consensus among Planning Commission members that the ordinance that has been presented by the LandPlan is too cumbersome and not appropriate for the rural area the township serves. They would rather use the 2004 zoning ordinance ~~that was previously approved~~ and fine tune it to fit the township's needs. Discussion ensued that Mark Eidelson from the LandPlan should be invited to attend a Planning Commission meeting to work with the membership to find a solution that is beneficial to all parties involved.

Meeting was adjourned at 2:00 PM
