**Police Assessment** – We are in the process of renewing our Police Special Assessment. This assessment must be renewed every 10 years. At this time there are no changes being made to the assessment. Therefore, you will not see any changes to your tax bill. The proposed levies are \$30. per dwelling or \$30. per parcel with a structure.

Our contract with Lapeer County Sheriff for 2021 is estimated at \$106,600. 75% being paid by the township and 25% being paid by the county. This provides us with 1 full time officer.

Please see the notice on the backside of this newsletter for further information.

**Tax Collection** - Summer Taxes are due **Sept 15, 2021**. On Sept 16th add 1% interest monthly until paid. We accept Check, Credit Card or Money order. For your convenience, we have a drop box located to the left of our main doors, which may be used to leave tax payments. **Office Hours:** Mon, Wed, Thurs  
9:00am - 4:00pm

**Burn Permits** - To obtain a burn permit, go to: [www.LapeerBurnPermit.com](http://www.LapeerBurnPermit.com)

Click on the "departments" link, then the "Marathon Twp" link and fill in the information requested.

When you provide an email address, updates will be sent out, this will be helpful in case of a burn ban. Permits are good for 30 days and can be obtained anytime, day or night. No need to wait for the township office to be open!

**Spring Clean-up** – We had a very successful spring clean up this past May. Several residents took advantage of this great opportunity. We removed 2 full garbage trucks, an overfull metal recycling gondola, and 725 tires were sent to the recycling center. Tires laying around are breeding grounds for mosquitoes. Every tire we get rid of is one step closer to our fight against the mosquito population!

**Board Meetings** - Second Wednesday of each month @ 6:00 pm, unless otherwise posted.
