PUBLIC COMMENT

Richard and Sharon Patton addressed the Board regarding internet service in our area. When they moved into the township, they could not find a decent service provider. Since then they have been able to get Frontier and they are now pleased with the service they receive.

Officer Dan Hinsberger gave the Board a monthly report on issues occurring in the township.

Cheryl Clark, County Commissioner, updated the Board on grants she is pursuing. One of the grants is for identifying foliage along the Southern Links Trailway.

Joe Suma, Lapeer County Drain Commissioner, discussed the need for cleaning out the Kester Drain. The total cost looks to be approximately \$63,000.00 with engineering. The project will be funded by an assessment district. The township will also be responsible for paying 5% of the costs associated with the drain improvement.
